Der Schwerpunkt liegt auf den Themenbereichen Taxonomie, Faunistik und Biogeographie sowie Ökologie und wissenschaftlicher Naturschutz. Zu zitieren ist der deutsche Titel ohne englischen Untertitel. The Open Access journal **Arachnologische Mitteilungen / Arachnology Letters** (subtitle) publishes scientific papers mainly about West Palaearctic arachnids (excluding papers solely on mites and ticks) in (British) English or German, after peer review. The main focus lies on the topics of taxonomy, faunistics and biogeography as well as ecology and arachnid conservation. There are no page charges (APCs or submission charges). German and English manuscripts are equally welcome. The German title of the journal should be used in citations. Arachnology Letters is licensed under a [Creative Commons Attribution 4.0 International License](#).
